30th November 2017

Dear Parents/Carers

The Science Department are once again organising a trip to GCSE Science Live. This event takes place at the Apollo Victoria Theatre in London and gives students the opportunity to hear some eminent scientists talk. This year we will be lucky enough to see Robert Winston, Andrea Sella, Jim Al-khalili and Steve Jones. In between each talk, an examiner will be giving the students top tips for taking their GCSEs. Last time we went it proved to be inspiring and informative.

The trip will take place on Friday 2nd February 2018 and we will leave school at 7:30am. We will then return to school at approximately 5:30pm. Students will need a packed lunch as no refreshments will be available to purchase in the theatre and they will not require any spending money.

The cost of the trip will be £25, payable by cheque (made payable to Melbourn Village College), cash, or Parent Pay and has been heavily subsidised by the Science department. If your child is in receipt of Pupil Premium, the cost of this trip will be covered by that funding.

We are limited to 30 places so these will be available on a first come, first served basis.

Yours sincerely

Tracey Mayhead

GCSE Science Live – Friday 2nd February 2018

I would like my son/daughter _____ to go on this trip.

- I enclose a cheque/cash for £25
- I have paid via parent pay
- My son/daughter has Free School Meals and would therefore like a packed lunch

My emergency contact details on the day will be

Mobile _____ Home _____

Signed _____ (Parent/Carer)
