Principal. Simon Holmes

16th October 2018

Dear Parents/Carers,

Thank you for applying for your son/daughter to go on the GCSE Science Live Trip on Friday 30th November 2018 and I hope that he/she is now looking forward to the event.

I just wanted to send home some further information about the trip. I have changed the time that we will leave the College from 8.00am to 7.30am, so I would ask all students to be in college and meet in the Common room at that time. This is to ensure that we reach the venue without running into traffic. There may be a small amount of time between the start of the event and the time we arrive so students may find time to purchase a drink and something to eat.

When we enter the venue, students cannot buy food or drinks. They will need to bring with them a packed lunch and the drinks that they need for the day.

GCSE Science Live finishes about 3.00pm and we will catch the coach shortly after this time. We will, however, be leaving Central London on a Friday afternoon. We will aim to be back around 5.30pm – 6.00pm. I will ask the students to contact you when we are about 15 minutes away from college, if they need to be collected from college.

It should be an interesting and valuable day for your son/daughter.

Yours sincerely,

Tracey Mayhead
