Principal. Simon Holmes

22nd November 2017

Dear Parents / Carers,

We are currently planning a joint History and Science trip to Warwick Castle on Friday 25th May 2018.

The trip will be an exciting adventure into the past, with a particular emphasis on weaponry, a visit to the horrible histories maze and the science department will be pointing out some excellent examples of chemistry, physics and biology in warfare.

We believe that students will really benefit from this memorable trip, which will aim to enrich their studies by bringing history to life. Following the trip, year 7 classes will be having a few lessons on how History and Science combine in warfare, looking at castle design, siege engines and 'greek fire'.

If students wish to take advantage of this opportunity to visit Warwick Castle, the price of the trip will be £25, coaches will leave at 8.45am and will return to school at 7.00pm. Pupils will be required to wear school uniform and will need to bring a packed lunch and snacks.

If you would like your child to take part, please complete the form below and return it to reception by Friday 26th January. If your son/daughter is in receipt of Pupil Premium, the cost of this trip will be covered by that funding.

Kind regards,

Mr Tobutt and Dr Wilson

Year 7 History and Science trip – 25th May 2018

Pupil's name:

Tutor group:

Method of payment (delete as necessary: Cheque / Cash / Parent pay)

My child has Free School Meals and would therefore like a packed lunch Yes / No
