MELBOURN VILLAGE COLLEGE

13 JUNE 2025

Dear Parents and Carers,

It's been another busy and enriching week here at MVC!

On Tuesday, our Year 10 Mandarin Excellence Programme (MEP) students enjoyed a vibrant cultural experience with a trip to Chinatown. My sincere thanks to Mrs Ni for organising such a valuable outing that brought language learning to life beyond the classroom.

We were also pleased to welcome many of you to our Parents' Forum yesterday. It was fantastic to have such thoughtful and constructive conversations about the direction of the school – your support and feedback are greatly appreciated.

This week, we were delighted to welcome Mark Dawes from the University of Cambridge, who joined us for curriculum leaders training with some of our Year 9 and 10 teams. Mark is supporting us as we continue developing our new assessment model. Many thanks to Ms Cooke, Mr Luxton, and Mr Willder for their work on this important project.

Finally, as the GCSE period draws to a close, I would like to take a moment to express just how proud I am of our Year 11 students. They have conducted themselves with maturity, resilience, and determination throughout the exam season, and we are all rooting for them as they approach the finish line.

Wishing you a restful weekend.

Mrs R Spencer  
Principal

# Celebrating Success

## George Munday

I am sure many of you will remember ex pupil George Munday (current Yr13). George has been offered a professional football contract with Cambridge United after completing a successful sixth form scholarship with them.

Whilst at MVC , George was instrumental in helping his year group win the County Cup in 2022 (a huge achievement for a school of our size!). George was an all-rounded sportsman and excelled at the 200m in athletics.

We hope to invite George back to MVC to deliver a motivational speech to our pupils when he makes his professional debut!

Congratulations George on this amazing achievement.

## Ronnie and George

Ronnie and George ride for a local club called Biketrialacademyuk, in Longstowe. Both boys have already competed in several British rounds throughout the UK, and this weekend they have a national competition in Derbyshire.

Trials is a sport where you ride specifically designed bikes over obstacles to gain points without putting your feet down. Ronnie will be representing the UK next month when he competes in the world youth games in Spain.
