Dear parent / carer,

Accompanying this letter you will find a copy of the letter resulting from our recent Inspection. A copy will be also be available on our website from tomorrow and from the OFSTED website in the next few days. If you would like a printed copy, please email the office and a copy can be left at reception for you.

The letter opens with confirmation that the school has retained it's 'Good' status and adds:

"The leadership team has continued to improve the good quality of education in the school since the last inspection. Your work to ensure that the school's vision of 'everybody is somebody' is evident in the support you provide for all pupils."

As you will see yourselves, the overall tone of the report is very positive with acknowledgement of achievements made and the ongoing improvements at the college. We have not yet achieved our aim of being outstanding but we are on the right trajectory.

Once again I would like to thank all the students for their efforts and yourselves for your ongoing support.

Yours sincerely,

S Holmes
