

Dear Parents/Carers

Post-16 Information Evening - Tuesday 2nd October 2018 – 7.00pm

I am writing to invite you to our Year 11 Post-16 Information Evening at 7.00pm on Tuesday 2nd October.

It is vital for all Year 11 students and their parents / carers to attend as important information on the post-16 process will be given.

The format of this evening will be as follows:

- 7.00pm - Presentation on the post-16 process
- 7.20pm - Parents and students talk to members of post-16 centre staff. We will have representatives from all post-16 centres as well as apprenticeship providers, etc.

Prior to the evening, students will bring prospectuses for the various post-16 centres, which they should peruse before the evening in order to understand the options available to them. On the reverse of this letter is a list of Open Evenings at the centres, so that you can visit and get first-hand experience of what they have to offer. I strongly advise that you do this.

The Post-16 application process is very efficient. Students will make their applications online via the UCAS Apply website. They have to submit a Personal Statement with their subject choices to sixth form centres, which will need to be worked on at home, but guidance will be given on the PSHE day on 8th October.

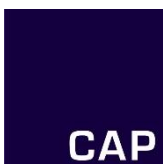

Mock GCSE examinations start on Monday 19th November. Estimated grades submitted to the sixth form centres depend very much on how well students perform in their Mock GCSEs and students may only apply for subjects whose entry criteria are met by their predicted grades. All sixth form applications have to be completed, checked and sent by **the end of this term**.

We look forward to seeing you on the 2nd October.

Yours sincerely

Mrs R Lawrence
